**Principal** Mr Paul Berne | BA Hons | PGCE

22<sup>nd</sup> July 2021

Dear Parent/Guardian,

### **A' Level Results Day**

I hope this letter finds you and your family safe and well. This has been an extremely challenging year, especially for our students who were due to sit their A' Level examinations. As you know, our pupils will be awarded grades based on evidence of their performance against the specification in each subject. Results for A' Level will be published on **Tuesday 10<sup>th</sup> August 2021**. We have put in place additional measures to allow for the distribution of results and any necessary guidance.

On Results Day, results will be distributed at specific times and we would ask that pupils do not access the site outside of these designated times unless by appointment. Pupils can be accompanied by **one** parent if they wish. Pupils will receive their results in the Assembly Hall at the following times

Time	Surname	Location
10:00am	A-L	Assembly Hall
10:45am	Mc-Z	Assembly Hall

A one-way system will be in place and it is important that all pupils follow the guidance of staff on the day. Students should access the school via the sports hall entrance and leave through the front doors at reception. Please follow the PHA NI advice on the use of face coverings and social distancing when collecting results.

Once you receive your results you may have important decisions to make. Edmund Rice College staff will be available during the course of the morning to provide advice and guidance. If you would like any external advice, the Careers Service is also here to guide and advise you.
