

Use of Digital / Video Images

The use of digital / video images plays an important part in learning activities. Pupils and members of staff may use digital cameras to record evidence of activities in school and outside of school. Images may also be used to celebrate success through their publication in:

- booklets
- school facebook
- school twitter
- school web site
- occasionally in the public media
- occasionally in and around the school in places that might be seen by visitors
- occasionally for marketing of the school

If you are happy for the school to use your childs image, please sign the consent form below.
