May 2021

The Pearson National Teaching Awards are the 'Oscars' of Education & Edmund Rice College is in the running to lift the top award!

The monthly updates of what's going on in Edmund Rice College!

The awards are an annual celebration of excellence in education, recognising the amazing work of schools! The mission is to raise the profile of the teaching profession, highlight the positive impact teachers and school leaders have in our society – with pupils, parents and the wider community, and show teachers how much they are valued. The winners last year were announced on BBC's 'The One Show' so here's hoping & watch this space!

Mr Brennan's Year 12 Form Class have completed a fantastic piece of art in the form of a mural during Mental Health Awareness week.

With the expertise and guidance of artist Michael Doherty and in association with Ardoyne Youth Club the boys have worked really hard to produce this master piece.

The mural has pride of place in our foyer with a very poignant message for all our wonderful pupils who will see it each and every day.

It was a very successful week with local and national sports stars, including Former Ireland Rugby player Andrew Trimble and Antrim Hurling captain Neil McManus, offering words of encouragement and advice to our wonderful pupils.

Excellence Respect Care

Farewell to our Year 12 & 14 leavers

It has been a very emotional past week in Edmund Rice College as we say farewell to our Year 12s and 14s.

What brilliant year groups they have been & they have all been a huge credit to the school. We wish them all the very best in the future and we look forward to welcoming many of our Year 12s back next year as they continue their journey in the school

It was an amazing final day for the Year 14s with Pizzas & cupcakes the order of the day. Thanks to Fr Sheehan for a lovely mass & some beautiful words of encouragement!

Some pupils & staff featured on BBC Newsline last Friday to mark the occasion and they all spoke very well and showcased the school in such a fantastic light! It was a very exciting day and reporter Robbie Merdith was highly impressed! Well done everyone and the best of luck for the future.

Thursday	Year 10 Football with Mr Small (Boys & Girls)	
Friday	Year 9 Football with Mr McCay (Boys & Girls)	

Summer Exams 2021

Perhaps the most important thing to remember throughout the whole revision process is to stay calm and positive. Bear in mind that performing well in exams is not the be-all and end-all of your school experience.

There's no perfect formula for exam success and you may not find all of our tips to be right for you. The key is to work out how you revise most effectively and stick to that as best you can. Ultimately, when it comes to revision, you get out of it what you put in.

Edmund Rice College PTA announcement

we are recruiting new members for the next academic year.

Please get in touch with the school office if you would like to register your interest!
